ABSTRACT

This library materials vendor list is designed for use by medium-sized public libraries wishing to procure materials by or about the four major ethnic groups in California: American Indian, Asian, Black, and Spanish-speaking. The list is divided into four sections, one for each of the four ethnic groups represented. The second section, containing Asian language vendors, is further subdivided by cultural group and language--Chinese, Japanese, Korean, Pilipino, Vietnamese--and a listing of vendors supplying generalized Asian American materials. Mainstream publishers and vendors have been largely excluded, as well as those which handle ethnic materials only as a sideline. (Author/CWM)

PREFACE

The following vendors list was prepared by a subcommittee of the California Ethnic Services Task Force with the cooperative efforts of resource persons throughout the State.

The California Ethnic Services Task Force, an LSCA funded project, was established to address problems associated with ethnic and non-English language collection development and service.

The fifteen member Task Force was appointed by California State Librarian, Ethel S. Crockett, to implement the project goal--"the development of tools and methodologies to assist California librarians establish collections and service to meet the needs of California's ethnic populations.

Task Force membership included representatives of the four major ethnic groups in California: American Indian, Asian American, Black, and Chicano/Spanish-speaking. Task Force activity emphasized service to these four major groups.

Subcommittees within the Task Force addressed specific problems related to the stated goal:

1. *"To develop a model plan for the establishment and development of library collections and services to meet the needs of California's ethnic populations."*

2. *"To identify and evaluate sources (vendors, publishers, tools) for purchase of materials."*

3. *"To develop a selected core collection list/bibliography in a specific area. Publish at least one during the first year."*

4. *"To disseminate information about current services, collections, and on-going programs in California libraries designed to meet the needs of the ethnic populations."*

5. *"To make recommendations for further development of library collections and services to meet the needs of California's ethnic populations."*

6. *"To develop access tools."*

The Task Force structure was designed to solicit support and to develop cooperative working relationships from the co-sponsoring library systems and expertise in the field.

We are grateful to the many persons, too numerous to mention by name, who have contributed to the development of this product.

INTRODUCTION

This listing of vendors is preliminary. It is designed for use by medium-sized public libraries wishing to procure materials by or about the four major ethnic groups in California: American Indian, Asian, Black, and Spanish-speaking. "Ethnic Library Materials: A Preliminary Vendor List" is not exhaustive; it is intended as a descriptive listing only, preliminary to an evaluative listing of ethnic materials vendors. The list is selective in scope, having been compiled from existing lists and ethnic service librarian recommendations. The sources appearing in each section have been verified as best possible, indiviudally as to correctness of address or telephone number. Vendors who deal in out-of-print publications are indicated o.p. (out-of-print) dealer. Mainstream publishers and vendors, in addition to those which handle ethnic materials only as a sideline, have been largely excluded.

"Ethnic Library Materials: A Preliminary Vendor List" is divided into four sections, one for each of the four ethnic groups represented. The second section, containing Asian language vendors, is further subdivided by cultural group and language: Chinese, Japanese, Korean, Pilipino, Vietnamese, and a listing of vendors supplying generalized Asian American materials.
